BALTIMORE—FRIDAY, JANUARY 28, 1825.

The Capitals are still undrawn.

The drawing of the GRAND STATE LOTTERY attracted a large crowd of spectators yesterday afternoon, in anticipation of the distribution of some of the Floating Capitals, but nothing came out higher than one of ONE THOUSAND DOLLARS, and two of FIVE HUNDRED DOLLARS, as will be noticed by the list on the next page.—The CASH as usual, is ready for the fortunate adventurers at COHEN'S OFFICE.—One of the Five Hundreds, No. 10,833 we divided into shares, and had the pleasure of sending the greater part to DISTANT ADVENTURERS, viz. one Half to Norfolk, in Va. and one Quarter to a gentleman at Halifax Ct. House, in the same State—the other Quarter is owned by a victualler residing in this city. All are respectfully requested to send in their tickets for immediate payment, as usual, at COHEN'S OFFICE.

Only Nine Drawings remain

to complete the Scheme of the GRAND STATE LOTTERY, which is the most brilliant in the U. States—the great Capitals of

40,000 DOLLARS.	5,000 DOLLARS.
20,000 DOLLARS.	15 OF 1,000 DOLLARS.
10,000 DOLLARS.	12 OF 500 DOLLARS.

&c. are still undrawn—the drawings will speedily be completed; and as the few Tickets now on hand are rapidly decreasing, we would recommend our distant friends, having small prizes to renew, to send them on without delay—those who have not completed their investments should also lose no time in securing Tickets or Shares.

Whole Ticket \$12, may produce 40,000 Dollars.
Half do. 6.00, may produce 20,000 Dollars.
Quarter do. 3.00, may produce 10,000 Dollars.
Eighth do. 1.50, may produce 5,000 Dollars.

ORDERS from any part of the United States, either by mail, (post paid,) or by private conveyance, enclosing the Cash or Prize Tickets, will meet the same prompt and punctual attention, as if on personal application.

Be particular in directing to

J. I. COHEN, JR.—BALTIMORE.

GENERAL LAFAYETTE reached Richmond on Saturday last at two o'clock in the Steam Boat from Norfolk. He landed amidst a peal of artillery, and was conducted to his lodgings by a committee of the Executive Council of Virginia, escorted by the various military corps of the city. His official reception by the Legislature was appointed for Monday last.

THE NAVY.—Lieut. Ramsay, who went out first of the U. S. ship Peacock, has returned in the brig Canada, from Valparaiso. Captain Carter, of the Peacock, had sailed from Valparaiso in a British frigate for Rio Janeiro on his return to the U. States. Lieut. Beverly Kennon has succeeded Capt. C. in the command of the Peacock.

N. Carolina 74.—Commodore RODGERS arrived in Washington city on Saturday, to spend a few days preparatory to his departure from the United States. He came up the river in a pilot boat, leaving the flag ship, NORTH CAROLINA, about 75 miles below, it being deemed prudent not to risk anything from sudden ice, by bringing her higher up. This superb new ship of the line, in working up the bay, proved herself, we understand, equal to the high expectations that were formed of her superior sailing, from her fine model and the known talent of her eminent constructor.—*Nat. Int.*

Midshipmen.—Letters from Washington state that the Cabinet Council have decided to send into the Senate the names of sixty-seven post midshipmen for promotion.

CONGRESS.—The bill for the suppression of Piracy, is now undergoing in the Senate of the U. States a serious deliberation corresponding with the great importance of the subject. The speech of Mr. Tazewell of Virginia, in favor of his motion to strike out the third section of the bill, is said to have been a masterly display of talent and eloquence.

In the House of Representatives on Tuesday, the bill for the relief of certain sufferers by the destruction of property during the late war, (commonly called the Niagara bill,) finally passed that House by the unexpected majority of fifty-four votes.

Five Hundred Dollars Premium.—A premium of Five Hundred Dollars will be given for a design, which shall be approved, for ornamenting the Tympanum of the Pediment of the East Portico to the Capitol. The Pediment is supported by eight Corinthian Columns, standing on an Arcade, the Cornice about 70 feet above the ground. The base of the Tympanum is 64 feet, and the height, in the centre, 12 feet. Drawings or Models, with the necessary explanations, to be delivered to the subscriber, on or before the 1st day of May next.

J. ELGAR,

Commissioner Public Buildings.

Washington City, Jan. 24.

Miscellaneous Intelligence.

Competition.—The New Haven Herald states, that "on Tuesday last the steamboat United States, Captain Beecher, gave notice that she would take passengers to and from New-York for ONE DOLLAR each—Dinner and Wine GRATIS. This circumstance arose in consequence of the steamboat Linnaeus, Capt. Peck, reducing the regular fare \$3, to \$1 50. A number of citizens who had never passed Hell-Gate, improved the opportunity to visit the 'great Emporium.'"

New Steam Boat.—A company has just been formed for the purpose of building and putting into operation a Steam Boat, to ply between Buffalo Creek and Fort Erie, and Chippewa. The stock \$7,000 is one half owned in Buffalo, and the other half in Canada. The boat is to be put into operation in June next. This arrangement will add greatly to the safety and comfort of those who visit the falls of Niagara. Under the present arrangement, there is not a more dangerous ferry than that between Black Rock and Erie on the Canada shore.

Georgia Bank Bills.—The Directors of the U. S. Branch Bank in Savannah have passed a resolution, that the notes of the Planters' Bank, the Bank of Georgia, payable in Savannah, and the Bank of Augusta, should be received in discharge, as well of debts due the Bank as of Government dues.

Lafayette.—A paragraph in a Philadelphia paper informed us that General LAFAYETTE had invested \$120,000 in U. S. four and a half per cent. stocks. The New-York American states that it is the intention of the General to appropriate the remaining eighty thousand dollars to the liquidation of claims on him in France, and that he intends to reserve the lands given to him, as a bequest to his children.

Synagogue.—A new Jewish Synagogue was consecrated in the city of Philadelphia on Friday evening last. One of the papers of that city says—

The chamber of worship is truly beautiful, and will not suffer by comparison with that of any church in the city. The roof is supported by massy pillars and pilasters. The ceiling which is finely ornamented, is divided into two semi domes by a quad-

angular skylight in the centre. The ark is hung with curtains of crimson silk, and the reading desk covered with the same material of the richest quality. The seats are arranged in amphitheatrical form, and the floor covered with a thick Brussels carpet. There is no want of ornament, nor yet any redundancy. Every thing is made to correspond, and the *tout ensemble* is very pleasing.

Pennsylvania Legislature.—The House of Representatives of Pennsylvania is composed of gentlemen of the following occupations:—Farmers, 59—Mechanics, 11—Attorneys at Law, 12—Merchants, 11—Physicians, 2—Printers, 2—Surveyor, 1—Iron Master, 1—Innkeeper, 1.

Law of the Road.—Every man who travels should know and bear in mind that he is bound to keep on the right side of the middle of the travelled path. The neglect of this rule subjects the offending individual to all the damages which may arise from accidents occasioned by his being on the wrong side of the road.

Money plenty.—The New-York Evening Post states that the amount subscribed on Monday to the stock of the New-Jersey Protection and Lombard Bank, exceeded three millions of dollars.

The quantity of land ceded by the Quapaws, in the treaty entered into between them and the United States' Commissioner, in November last, is computed at 2,249,000 acres.

The expenditures of the corporation of N. York, amounted last year to a sum exceeding nine hundred thousand dollars.

India Rubber Shoes.—These very comfortable and useful articles have not been until lately heard of, much less used by our ladies. Their advantages must appear evident when the elasticity and impenetrability of the gum of which they are made, are compared with the thin and absorbing quality of the leather or stuffs of which shoes are commonly manufactured.

Right of Suffrage.—The Select Committee in the New-York Legislature on this subject, have reported an amendment to the Constitution of New-York, authorising all white citizens aged 21 to vote after one year's residence in the state and six month's residence in the county; and authorising all blacks to vote who possess a freehold of the value of \$250.

The ceremonies and honours paid to Lafayette in this country, are reprinted in the French Journals of the liberal party.

Latest from South America.

By the brig Canada, arrived at this port last week, accounts are received which confirm that the Patriot arms have been triumphant in Peru.

Advices had reached Lima, of the arrival at Huanchacho of 1500 Colombian troops from Panama. Bolivar was, by the last accounts then received, at Guamanga marching for Cuzco—the Royalists, commanded by the Viceroy La Serna, were 30 leagues beyond Cuzco, waiting to be joined there by Valdez, and it was confidently expected at Valparaiso that Bolivar would speedily enter Cuzco, the ancient capitol of the Peruvian empire.

The squadron in Callao, consisting of the Asia and Achilles, the Esther of 28 guns, a brig of 18, and one of 7 guns, with several transports, were kept close in the harbour by Admiral Guise, and it was expected they would fall into his hands.

The frigate United States, Com. Hull, was at Callao on the 21st of September. The Peacock, sloop of war, sailed about a fortnight before. The Officers and crews of both vessels are well.

Accounts are received by way of Panama, that all the Colombian troops which sailed from that port, had joined Bolivar in Peru, and that the Liberator was pursuing a victorious career.

Orders should not be delayed—the earlier the investment be made, the greater is the advantage to the adventurer.

Direction of Letters.—We beg permission to request our friends and customers residing in distant places, to be particular in directing their letters to J. I. COHEN JR. BALTIMORE. It will thereby prevent mistakes in being sent to another office, the name of which on paper, appears similar, and to which we understand, several letters have heretofore been directed on the supposition that the name was ours.

N^o 15631,

Which drew the great Capital Prize of

\$100,000

in the last GRAND STATE LOTTERY, it will be recollected was sold at COHEN'S OFFICE, BALTIMORE, in Shares....One Half to Mr. Elisha Tarver, of Knoxville-Georgia....One Quarter to Mr. John Scudder, Savannah, Georgia, and the other Quarter to Messrs. CASH as soon as drawn. Agreeably to accustomed promptness and punctuality, the Cash can instantly be had at COHEN'S OFFICE for all prizes in the schemes in which this Office is engaged. In the GRAND STATE LOTTERY of Maryland now drawing in Baltimore, the numerous and brilliant Capitals, as well as the judicious arrangement of the scheme, have caused so great a demand for the tickets, that the Commissioners are progressing with the drawing every week—Adventurers should complete their purchases without delay.

Persons at a distance may at all times with confidence forward their REMITTANCES to COHEN'S OFFICE, for if the great Capitals in the Scheme should be drawn when their Orders arrive, and the state of the wheel not justify an investment, the amount enclosed will be returned by the first mail.
